

This architectural floor plan illustrates the layout of the 'Maison de la rue du Mont Goguet'. The building is situated on a triangular plot bounded by 'Rue du Mont Goguet' to the right and 'Passage Robin' to the top right. A compass rose indicates North is towards the top left. The plan shows a central corridor (hallway) with a staircase and a large red-shaded area, likely a common room or kitchen. Various rooms are labeled, including 'Chambre' (bedroom), 'Salle de bain' (bathroom), 'Cuisine' (kitchen), 'Salon' (living room), 'Bureau' (office), 'Salle à manger' (dining room), 'Cave' (cellar), and 'Garage'. The building's footprint is outlined in red, and the surrounding area is marked with a dashed red line.
